

Looking after our world during Scorching Hot weather

In the story 'Sun, Sand and Seashells at Susie the Childminder's beach hut, it hasn't rained for weeks and the ground is very dry. We call this weather a heat wave.

Read the words inside the water butt.

Fill in the missing words, using the words inside the water butt.

During a heat wave we must _____ water.

Grown ups must not use a _____ to water the garden.

Save any _____ that may fall in a water butt, to use wisely later.

Susie used a watering _____ to water Nanny Dot's tomatoes

Susie was careful with the barbecue because a _____ can start more easily in hot weather.
